

Calling All Volunteers! Testing Monitors Needed!

Annual state testing will begin on May 3, and we need monitors to ensure test security and efficiency. You must be volunteer-trained and cannot monitor in a classroom where a relative is testing. Monitors are asked to plan on assisting from **8:00am to 10:30am** on testing days. Please see the testing dates below, and contact Mr. Turner at michaeltturner@pickens.k12.sc.us or 397-1511 if you are interested or have any questions. Thanks for your support!
